

FRAMETOQUE DIGITAL MEDIA

Website Development Agreement

www.frametoque.online | +94 70 190 1461 | Piliyandala, Sri Lanka

PREAMBLE

This Website Development Agreement ("Agreement") is entered into between FrameToque Digital Media ("FrameToque," "Service Provider," "we," or "our") and the undersigned client ("Client," "you," or "your"). By commissioning web development services from FrameToque, the Client acknowledges that they have read, understood, and agreed to all terms and conditions outlined in this Agreement.

For information on service packages and pricing, please visit www.frametoque.online

PROJECT DETAILS

Field	Details
Agreement Date	
Client Full Name	
Client Email Address	
Client Contact Number	
Project Title / Website Name	
Project Start Date	
Estimated Delivery Date	
Content Submission Deadline	

1. PROJECT SCOPE

FrameToque agrees to design and develop a website as described and agreed upon during the initial consultation and project brief. The project scope covers only the features, pages, and functionalities explicitly agreed upon in writing.

- Any work outside the agreed scope will be assessed, quoted, and billed separately before work on additional items begins.
- The Client is responsible for providing a clear, complete brief prior to project initiation. Significant changes to the brief after work has started may result in revised timelines and additional costs.

2. TIMELINE & CONTENT RESPONSIBILITY

The project timeline is dependent on the timely cooperation of both parties. Specific dates are recorded in the Project Details table above.

- The Client must provide all required content — including text copy, images, logos, brand assets, and any other materials — by the Content Submission Deadline stated above.
- Delays caused by late content delivery, delayed approvals, or unresponsiveness from the Client will push the delivery date back accordingly. FrameToque will not be held responsible for such delays.
- The Client must review and respond to submissions (UI designs, development previews, etc.) within 5 business days. Failure to respond within this window may be treated as approval and allow the project to proceed.

3. PAYMENT TERMS

The total project fee is structured across three payment stages, each tied to a specific project milestone. Development work begins only after each stage is approved and the corresponding payment is received.

Payment Stage	Amount	Due / Trigger
Deposit (non-refundable)	As agreed	Before any work begins
UI Approval Payment	As agreed	Upon client approval of UI/UX design
Final Payment	Remaining balance	Before the website goes live / is delivered

Detail	Amount / Info
Total Project Fee	
Deposit	
UI Approval Payment	
Final Payment	
Payment Methods	

IMPORTANT

No stage of work proceeds until the corresponding payment for that stage is confirmed received.

4. DEVELOPMENT PROCESS

The project follows a structured, stage-gated workflow to ensure quality and client alignment at every milestone:

#	Stage	Action / Trigger
01	Deposit Received	UI/UX design phase begins
02	UI Design Completed	Draft sent to Client for review
03	Client Approves UI	UI approval payment due — development begins
04	Development Completed	Final review; final payment due before site goes live
05	Final Payment Received	Website delivered and launched

UI Revisions

The Client is entitled to the following included revision rounds during the UI design phase:

Included UI Revision Rounds

- Additional revision rounds beyond the included amount will be charged at a separately agreed rate before those revisions begin.
- Major UI or design changes requested after the UI has been approved and development has begun — or requested within 3 months of the delivery date — will require an additional payment based on the scope of the changes.

5. CLIENT RESPONSIBILITIES

The Client agrees to fulfill the following responsibilities throughout the project:

- Provide all required content, assets, brand materials, and feedback in a timely manner as outlined in this Agreement.
- Review and approve UI designs and deliverables within 5 business days of submission.
- Confirm that they hold the legal right to use all content, images, logos, and materials provided to FrameToque. FrameToque is not responsible for copyright infringement arising from Client-supplied assets.
- Designate a single point of contact for approvals and communications to avoid conflicting instructions.

6. DOMAIN

The domain name for the website must be purchased and registered by the Client. FrameToque can guide the Client through the domain registration process at no extra charge, but the domain cost and ownership remain entirely with the Client.

- FrameToque is not responsible for domain renewal, expiry, or any issues arising from the Client's domain account.
- The Client must ensure the domain is available and registered before the agreed go-live date.

7. HOSTING

The Client may select one of the following hosting arrangements:

Option A — Free Hosting	Option B — Custom Server / Paid Hosting
The website will be deployed on a free hosting platform (e.g. Vercel, Netlify). Suitable for most standard websites. No additional cost to the Client. <i>Please note: As free hosting services have resource limits, website performance may slow down during peak traffic periods or high server load. If consistent high performance is required, a paid hosting plan is recommended.</i>	A custom or paid hosting plan must be purchased by the Client. FrameToque can guide setup at no extra charge, but the server cost and ownership remain with the Client.

Hosting Preference

8. POST-DELIVERY SUPPORT & CHANGES

FrameToque provides a post-delivery support window to cover minor corrections and adjustments.

FREE SUPPORT PERIOD	3 minor changes included — within 3 months of the delivery date
----------------------------	---

Included minor changes cover:

- Small text updates or content swaps
- Minor styling or colour tweaks
- Basic image replacements

The following are NOT covered under free support and will be quoted and billed separately:

- New features or functionality additions
- Structural or layout changes
- Significant content overhauls or redesigns
- Any changes — minor or major — requested after the 3-month support period has ended

Delivery Date

Support Period Ends	3 months from delivery
---------------------	------------------------

9. OWNERSHIP & INTELLECTUAL PROPERTY

Upon receipt of full payment, the Client owns the final delivered website and its content. Until full payment is received, FrameToque retains ownership of all created assets and deliverables.

- FrameToque retains the right to display the completed project in its portfolio and promotional materials unless the Client submits a written request to the contrary.
- Third-party plugins, frameworks, or open-source components used in the build remain subject to their own respective licenses.
- Any bespoke code, designs, or assets created specifically for this project become the Client's property upon full payment.

10. CONFIDENTIALITY

Both parties agree to maintain the confidentiality of all project-related information shared during the engagement. This includes project details, business strategy, pricing, login credentials, and any proprietary information disclosed by either party. This obligation remains in effect after the conclusion of the project.

11. CANCELLATION

Either party may cancel this Agreement under the following conditions:

- If the Client cancels after work has commenced: the deposit (50%) is non-refundable. Any additional payments made for completed stages will not be refunded.
- If FrameToque cancels the Agreement for reasons within its control: the full deposit will be refunded to the Client within a reasonable timeframe.
- Cancellations must be communicated in writing. Verbal cancellations will not be considered valid.

CLIENT CANCELLATION

Deposit is non-refundable once work has begun

12. LIMITATION OF LIABILITY

FrameToque shall not be liable for any indirect, incidental, consequential, or punitive damages — including but not limited to loss of business, loss of revenue, or data loss — arising from the use of or reliance on the delivered website.

- FrameToque's total liability under this Agreement shall not exceed the total fees paid by the Client for this specific project.
- FrameToque is not responsible for third-party service outages (hosting providers, domain registrars, APIs, or plugins) that affect the website after delivery.
- FrameToque is not liable for security breaches or data loss occurring after the website has been handed over to the Client.

13. GOVERNING LAW

This Agreement is governed by the laws of the Democratic Socialist Republic of Sri Lanka. Any disputes arising from this Agreement shall first be addressed through good-faith negotiation between both parties before pursuing any formal legal remedy.

AGREEMENT & SIGNATURES

By signing below, both parties confirm that they have read, understood, and agreed to all the terms and conditions outlined in this Agreement. This Agreement becomes legally binding upon the signatures of both parties.
